

TOSOH

Chromatography Workshops

Analysis of Polymers: Education & Trainings 2026

Our polymer analysis chromatography courses provide a focused introduction to SEC, MALS and Viscometry. Participants gain essential theory, method development insights, and data evaluation through real-world polymer examples. The modular format builds expertise across key aspects of SEC with advanced detection, supported by targeted troubleshooting.

Why Tosoh Trainings?

- Training history since 1997
- Become part of the network of over 2000 technicians and scientists trained in our Chromatography Workshops
- 99% of students recommend training courses at Tosoh to colleagues with an average satisfaction rate of > 90%*
- Classroom training provides hands-on learning for the most immersive experience. Enjoy talks and practical hands-on experiments under the guidance of qualified tutors

** course evaluation of training attendees 2009-2019*

Training Location: Tosoh Bioscience GmbH
Im Leuschnerpark 4, 64347 Griesheim,
Germany

TOSOH

Tosoh Academy Workshop on Size Exclusion Chromatography

Target Molecules: Polymers

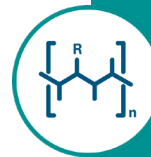

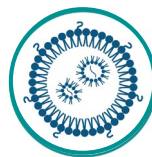

Program (Wednesdays)

- 9:30 Basics of SEC
- 10:00 Column selection, Column calibration
- 11:15 Coffee Break
- 11:30 Mobile phase selection
- 12:15 Lunch
- 13:15 Detectors
- 14:00 Applications for Polymers
- 14:45 Coffee Break
- 15:00 Troubleshooting (& discussion of your own chromatograms)
- 18:00 Dinner & Outing

Tosoh Academy Workshop on Multi Angle Light Scattering Detection

Target Molecules: Polymers

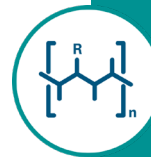

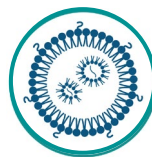

Program (Thursdays)

- 9:30 Introduction to MALS
- 10:30 MALS in combination with other detectors (incl. triple detection)
- 11:00 Coffee Break
- 11:15 Applications for Polymers
- 12:00 Lunch
- 13:00 Practical considerations, Hands-on analysis
- 15:15 Coffee Break
- 15:30 Troubleshooting
- 16:30 End of day

Prices, Packages and Dates

Choose your module(s):

- SEC (1 day) — 999 €
- MALS (1 day) — 999 €

Or select a value package:

- SEC-MALS-Viscometer for polymers (2 day) — 1,799 €

Available sessions 2026

- Spring/April: 22–23 April
- Summer/July: 01–02 July
- Autumn/October: 07–08 October

Please register by filling in the registration form and sending it to subin.damodaran@tosohbioscience.com
